## SEE IT IN ACTION

The screenshot shows a chat interface with a sidebar on the left containing 'Agent Marketplace', 'HappyOnline Assistant', 'Nano Banana Agent', and 'Chats'. The main chat area shows a search for 'gpt-5.1' in the 'Search OpenAI models...' field. A dropdown menu lists 'OpenAI', 'My Agents', 'Google', and 'Anthropic'. Below the search, a list of models is shown: 'gpt-5.1', 'gpt-5-mini', 'gpt-5.2', and 'gpt-4.1-mini'. At the bottom, a message from 'GPT-5.1' is visible with a text input field containing 'Message GPT-5.1' and buttons for 'Search', 'Code Interpreter', and 'Artifacts'.

The screenshot shows an agent marketplace interface. At the top, there is a search bar 'Search agents...' and a shield icon. Below the search bar, there are tabs for 'General', 'Human Resources', 'Research & Development', 'Finance', 'IT', 'Sales', 'After Sales', and 'All'. The 'General' tab is selected, showing a list of agents under the heading 'General purpose agents for common tasks and inquiries'. The agents listed are: 'Nano Banana Agent' (Image generation agent), 'eCommerce Agent' (Agent for your electronic state), 'SoftOne Agent' (Helper for SoftOne ERP), 'Tools Agent' (Agent for queries in the HappyOnline Tools database), 'Τάκης' (Social media strategist), and 'HappyOnline Assistant' (The one that knows it all).
